

Welcome to the Babies Class at Calvary Baptist Church!

We are so glad that your child is here with us. Here at Calvary, our mission is to connect people to Jesus and His Church. One of the ways we try to fulfill this mission is to provide a fully functioning children/family ministry. Our children's ministry strives to assist parents by providing a safe and inviting environment where children learn to become mature worshippers of God. If at any time you have further questions about Calvary, our mission, or our children's ministry please feel free to contact the church office, Pastor Ryan O'Neal, or our Children's Director, Katie Boehms.

Here are some of the important details specifically related to the Babies Class:

- The Babies Class is located across the hall from the rear doors of the sanctuary in Room 104.
- A child enters the Babies Class whenever the parent is comfortable using childcare.  
*(4-6 weeks old is a suggested age to begin using childcare)*
- A child promotes out of the Babies Class when he/she is walking with stability.  
*(All parents/guardians will be notified before their child promotes)*
- Parents/guardians are responsible for bringing all necessary items with them when using childcare.  
*(Calvary does provide Puffs for snacks)*
- Please give any special instructions to the childcare worker when dropping off your child.
- Please label any item that your child might use during childcare.  
*(For example - diaper bag, cup, bottle, or clothing)*
- Safety and Security is of utmost importance. All childcare workers have received a background check. Upon arrival you will be asked to check-in using our security tag system. A childcare volunteer will assist you in this process.

Again, if you have any questions about our Babies Class feel free to contact the church office at any time.
